

Te Tahawai Marae

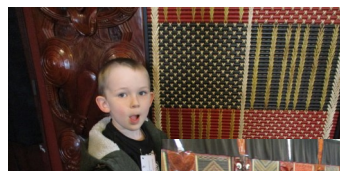

It is a special day today,
we are going to Te Taha-
wai Marae! Everyone from
Little Earth Montessori
Panmure has been pre-
pared for weeks for to-
day's trip!

After we were lead into the marae, Whāea Malia and Whāea Claudia gave us a warm welcome! Each of us had turn holding the toko-toko to introduce ourselves, and we sang "*E toru ngā mea*" all together.

After that Whāea Malia told us stories behind each the carvings accross the marae. Whāea Malia was so kind that she allowed us to touch and feel all the carvings and weavings on the walls!

We also did lots of art activities, such as colouring Matariki stars and designing our own kowhaiwhai
